RESOLUTION AGREEMENT

I. Recitals

1. Parties. The Parties to this Resolution Agreement (Agreement) are the United States Department of Health and Human Services, Office for Civil Rights (HHS) and Skagit County, Washington (Skagit County).

2. Authority of HHS. HHS enforces the Federal standards that govern the privacy of individually identifiable health information (45 C.F.R. Part 160 and Subparts A and E of Part 164, the “Privacy Rule”), the Federal standards that govern the security of electronic individually identifiable health information (45 C.F.R. Part 160 and Subparts A and C of Part 164, the “Security Rule”), and the Federal standards that govern notification in the case of breach of unsecured protected health information (45 C.F.R. Part 160 and Subparts A and D of Part 164, the “Breach Notification Rule.”) HHS has the authority to conduct the investigations of complaints alleging violations of the Privacy, Security, and Breach Notification Rules by covered entities, and covered entities must cooperate with HHS’ investigation. 45 C.F.R. § 160.306(c) and §160.310(b).

3. Factual Background and Covered Conduct. On December 9, 2011, HHS received notification from Skagit County regarding a breach of its unsecured electronic protected health information (ePHI). On May 25, 2012, HHS notified Skagit County of its investigation regarding Skagit County’s compliance with the Privacy, Security, and Breach Notification Rules. HHS’s investigation indicated that the following conduct occurred (“Covered Conduct”).

i. From approximately September 14, 2011 until September 28, 2011, Skagit County disclosed the ePHI of 1,581 individuals in violation of the Privacy Rule (See 45 C.F.R. §§160.103 and 164.502 (a)) by providing access to electronic protected health information (ePHI) on its public web server;

ii. From November 28, 2011 until present, Skagit County failed to provide notification as required by the Breach Notification Rule (See 45 C.F.R. § 164.404) to all of the individuals for whom it knew or should have known that the privacy or security of the individual’s ePHI had been compromised as a result of the breach incident described in paragraph I.3.i., above;

iii. From April 20, 2005 until present, Skagit County failed to implement sufficient policies and procedures to prevent, detect, contain, and correct security violations (See 45 C.F.R. § 164.308(a)(1)(i));

iv. From April 20, 2005 until June 1, 2012, Skagit County failed to implement and maintain in written or electronic form policies and procedures reasonably designed to ensure compliance with the Security Rule (See 45 C.F.R. § 164.316(a) and (b)); and
v. From April 20, 2005 until present, Skagit County failed to provide security awareness and training to all workforce members, including its Information Security staff members, as necessary and appropriate for the workforce members to carry out their functions within Skagit County (See 45 C.F.R. § 164.308(a)(5)).

4. **No Admission.** This Agreement is not an admission of liability by Skagit County.

5. **No Concession.** This Agreement is not a concession by HHS that Skagit County is not in violation of the Privacy Rule, the Security Rule, or the Breach Notification Rule and that Skagit County is not liable for civil money penalties.

6. **Intention of Parties to Effect Resolution.** This Agreement is intended to resolve HHS Transaction Number: 12-136147 regarding possible violations of the Federal Standards for Privacy of Individually Identifiable Health Information, the Security Standards for the Protection of Electronic Protected Health Information, and Notification in the Case of Breach of Unsecured Protected Health Information (45 C.F.R. Parts 160 and 164, Subparts A, C, D, and E), the Privacy, Security, and Breach Notification Rules). In consideration of the Parties’ interest in avoiding the uncertainty, burden and expense of further investigation and formal proceedings, the Parties agree to resolve this matter according to the Terms and Conditions below.

II. **Terms and Conditions**

1. **Payment.** Skagit County agrees to pay HHS the amount of $215,000 (Resolution Amount). Skagit County agrees to pay the Resolution Amount on the Effective Date of this Agreement as defined in paragraph II.9 by automated clearing house transaction pursuant to written instructions to be provided by HHS.

2. **Corrective Action Plan.** Skagit County has entered into and agrees to comply with the Corrective Action Plan (CAP), attached as Appendix A, which is incorporated into this Agreement by reference. If Skagit County breaches the CAP, and fails to cure the breach as set forth in the CAP, then Skagit County will be in breach of this Agreement and HHS will not be subject to the Release set forth in paragraph 3 of section II of this Agreement.

3. **Release by HHS.** In consideration and conditioned upon Skagit County’s performance of its obligations under this Agreement, HHS releases Skagit County from any actions it may have against Skagit County under the Privacy, Security, and Breach Notification Rules for the covered conduct identified in paragraph 3 of section I. HHS does not release Skagit County from, nor waive any rights, obligations, or causes of action other than those specifically referred to in this paragraph. This release does not extend to actions that may be brought under section 1177 of the Social Security Act, 42 U.S.C. § 1320d-6.

4. **Agreement by Released Parties.** Skagit County shall not contest the validity of its obligations to pay, nor the amount of, the Resolution Amount or any other obligations agreed to under this Agreement. Skagit County waives all procedural rights granted under Section 1128A of the Social Security Act (42 U.S.C. § 1320a-7a) and 45 C.F.R. Part 160 Subpart E, and HHS claims collection regulations at 45 C.F.R. Part 30, including, but not limited to, notice, hearing, and appeal with respect to the Resolution Amount.
5. **Binding on Successors.** This Agreement is binding on Skagit County and its successors, heirs, transferees, and assigns.

6. **Costs.** Each Party to this Agreement shall bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement.

7. **No Additional Releases.** This Agreement is intended to be for the benefit of the Parties only, and by this instrument the Parties do not release any claims against any other person or entity.

8. **Effect of Agreement.** This Agreement constitutes the complete agreement between the Parties. All material representations, understandings, and promises of the Parties are contained in this Agreement. Any modifications to this Agreement shall be set forth in writing and signed by all Parties.

9. **Execution of Agreement and Effective Date.** The Agreement shall become effective (i.e., final and binding) upon the date of signing of this Agreement and the CAP by the last signatory (Effective Date).

10. **Tolling of Statute of Limitations.** Pursuant to 42 U.S.C. § 1320a-7a(c)(1), a civil money penalty must be imposed within six years from the date of the occurrence of the violation. To ensure that this six-year period does not expire during the term of this agreement, Skagit County agrees that the time between the Effective Date of this Resolution Agreement (as set forth in paragraph 15) and the date the Resolution Agreement may be terminated by reason of Skagit County’s breach, plus one-year thereafter, will not be included in calculating the six (6) year statute of limitations applicable to the violations which are the subject of this agreement. Skagit County waives and will not plead any statute of limitations, laches, or similar defenses to any administrative action relating to the covered conduct identified in paragraph 3 of section I that is filed by HHS within the time period set forth above, except to the extent that such defenses would have been available had an administrative action been filed on the Effective Date of this Resolution Agreement.

11. **Disclosure.** HHS places no restriction on the publication of the Agreement. This Agreement and information related to this Agreement may be made public by either Party. In addition, HHS may be required to disclose this Agreement and related material to any person upon request consistent with the applicable provisions of the Freedom of Information Act, 5 U.S.C. § 552, and its implementing regulations, 45 C.F.R. Part 5.

12. **Execution in Counterparts.** This Agreement may be executed in counterparts, each of which constitutes an original, and all of which shall constitute one and the same agreement.

13. **Authorizations.** The individual(s) signing this Agreement on behalf of Skagit County represent and warrant that they are authorized by Skagit County to execute this Agreement. The individual(s) signing this Agreement on behalf of HHS represent and warrant that they are signing this Agreement in their official capacities and that they are authorized to execute this Agreement.

If Skagit County, after review and investigation, determines that a member of the workforce of a covered health care component has failed to comply with its Privacy, Security and Breach Notification policies and procedures,
Skagit County shall notify HHS in writing within 30 days. Such violations shall be known as “Reportable Events.” The report to HHS shall include the following:

A “timely written request” is defined as a request in writing received by HHS at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed. It is within HHS’s sole discretion as to whether to grant or deny the extension requested.

Upon a determination by HHS that Skagit County has breached this CAP, HHS may notify Skagit County of (a) Skagit County’s breach; and (b) HHS’s intent to impose a civil money penalty (CMP) pursuant to 45 C.F.R. Part 160 for the Covered Conduct set forth in paragraph 3 of section I of the Resolution Agreement and any other conduct that constitutes a violation of the HIPAA Privacy, Security, or Breach Notification Rules (this notification is hereinafter referred to as the “Notice of Breach and Intent to Impose CMP”).

C. Response. Skagit County shall have 30 days from the date of receipt of the Notice of Breach and Intent to Impose CMP to demonstrate to HHS’ satisfaction that:

1. Skagit County is in compliance with the obligations of the CAP cited by HHS as being the basis for the breach;

2. The alleged breach has been cured; or

3. The alleged breach cannot be cured within the 30 day period, but that (i) Skagit County has begun to take action to cure the breach; (ii) Skagit County is pursuing such action with due diligence; and (iii) Skagit County has provided to HHS a reasonable timetable for curing the breach.

D. Imposition of CMP. If at the conclusion of the 30 day period, Skagit County fails to meet the requirements of section VIII.C. to HHS’s satisfaction, HHS may proceed with the imposition of a CMP against Skagit County pursuant to 45 C.F.R.
